FAQs
Why did you build TipParty?
The Moonshot Collective built it because we wanted to use it ourselves. We have many community members from across the Ethereum ecosystem, and wanted a universal way to reward engagement in the Collective.
I want to use TipParty for my own community, is that cool?
Yes absolutely, please go ahead. After you do, let us know what you think.
Where does the 0.1 Eth go? Why would I want to pay that?
You can host your own TipParty once you pay the 0.1 Eth fee! All funding goes to funding public goods on Gitcoin Grants.
How can I get in touch?

#1 What is Lorem Ipsum?
#2 What is Lorem Ipsum?
Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. Lorem Ipsum has been survived not only five centuries, but also the leap into electronic Typesetting, remaining essentially unchanged.

Guidelines

Include Gitcoin Community badges in all Gitcoin Dao digital products as a clear call to action to show connection to the Gitcoin community. Gitcoin community badges are available in varying sizes and colors to help you reinforce that your product is backed by a broader audience.

- Choose any color badge from the palette
- Place gitcoin dao badge in the footercenter, left or right align
- Link to Gitcoin.co
- Gitcoin Dao badge is to be used standalone, do not place the badge next to other logos
- Please do not modify the badge in any way
